Pastor Tom Knowles'

y & Pour: It's an Epiphany!

An epiphany is an opening of the mind to receive something new. In this session we will begin a journey together and enjoy the process of creating even if you may not know what the outcome will be. Once you begin, God through the power of the Holy Spirit can reveal things that you didn't think of when you started the process and prayerfully draw closer to each other and to Him.

Many hands make light work, and we need you! Have an idea for something you want to do? Let us know that too!
