### Create an Umbrella of Peace

# This is not about perfecting artistic talent

Are you feeling called to serve? We are welcoming all Christians who are looking to volunteer on an ongoing or short-term basis. We have event dates that need helping hands on-site as well as working committees. If you are interested in becoming a part of this ministry, please let us know! Many hands make light work, and we need you! Have an idea for something you want to do? Let us know that too!

## We Need You!

We are now a 501c3 Nonprofit Christian Ministry outreach to those currently and continuously living with trauma. Our volunteers come from a variety of backgrounds (Counselors, Musicians, Teachers, Poets, Pastors, Fine Artists, Therapists) enabling the ministry to help victims through something they already love. A person who is affected by trauma may have experienced an event or circumstance that was life-threatening and/or leaving them with physical and emotional harm. The arts help us to release the pain and find healing through the process. Every person's experience, interpretation and outcome are different but we have found the results to be the same.

*The Spirit of the Lord GOD is upon me, Because the LORD has anointed  
me to bring good news to afflicted;  
He has sent me to bind up the brokenhearted, to proclaim liberty to  
captives and freedom to prisoners...*

—  
*Isaiah 61:1*
